

ACTION NEEDED:

# Four Local Strategies and Solutions for the Economic Recovery of Young Adults

Key perspectives on the economic and educational issues facing disconnected youth and young adults in this country as a result of COVID-19, the economic collapse and a heightened focus on racial justice.

- How do these young people gain access to and advance into good jobs and careers?
- What are some promising and effective approaches that address these issues?

Expert practitioners will share their thoughts on the challenges facing these young people and highlight strategies and solutions that show promise in addressing issues and expanding opportunities for out-of-work and out-of-school youth and young adults.
